Hi Matt, The documents are actually on my One Drive. I was hoping the link was in the sharing notification email. I will work on getting the link to you.

Hi Valois

I think I found the documents—I just left you a long message. I don't see the folders.

Can you send me a link in SharePoint?

Thanks!
Matt

Subject: Dewey-Burdock NRC Tribal Consultation documents: additional info about folders I just shared with you

Hello All,

The folder I just shared on my OneDrive: **NRC NHPA Documents** contains 3 folders at this point.

The **ASLB folder** contains documents related to the Atomic Safety & Licensing Board Decision and all the subsequent documents filed by the NRC, Oglala Sioux Tribe and the Consolidated Intervenors. I did not upload any of the documents Powertech filed, but if you would like to see those, I can do that.

The **Programmatic Agreement folder** contains a folder also named Programmatic Agreement. I didn't mean to do that. I am not sure how I even managed to do that. This folder contains the Programmatic Agreement and Appendices that Mike already emailed.

The **SEIS folder** contains volumes 1 and 2 of the of the Final Supplemental EIS. I extracted out the sections that contain info related to Tribal Consultation.
